FYI, Larry sent the latest MOU draft to Isabella to keep her posted on changes and ensure she's on the same page since we're so close to getting it signed; I'm briefing my AD in an hour, but unfortunately she's not the one signing it anymore—it's up a level. 99.5% complete....

Subject: Aerojet -- Draft MOU for OU-10

Hi Isabella,

The draft MOU went through management review and I had to add some more changes. Most are to clarify some of the text. We also added a couple more bullets with language that our MOU guidance required. Also, after checking our delegations memos, it became apparent that our Division Director must sign the MOU. Hopefully, this does not affect who signs at DTSC. Please see attached Redline and clean copy of the MOU with the new edits.

Please let me know if the changes are acceptable to DTSC. If so, we will move ahead with getting a signature and forward it on to DTSC.

Larry
